### Kitesurfing Lessons!

This Certificate entitles recipient to our complete course:

#### **Kitesurfing – Beginning & Intermediate 6-hr Semi-Private Course / All Gear Included**

**It's magical, and Belmont Shore is one of the best places to in the world to learn this sport!**  
No special strength or experience needed. Ages 9-99 are welcome. Lessons start on beach and move to the water as you progress. You will have time to experience and master your skills with the full sized kitesurfing kites. You can safely progress to the water when ready with your instructor right next to you. This will be a great experience to feel and control the power of the larger kites.

#### **Combine the Kite & and Board to Ride!**

Learn how to get up and ride the kiteboard on windpower! Now you are kiteboarding! This is very tricky but the instructor will break this down into small steps in the appropriate order to make riding possible for most anyone. Our hands-on approach is fast, safe, and most successful.

Recipient may schedule appointment directly on our website. Valid until Oct.31, 2015.
